Anas Khatab

Group Corporate and Business Development Head, AMD Holding

Anas Khatab is Group Corporate and Business Development Head at AMD Holding, a diversified group headquartered in Egypt with operations in the UAE. Based in the UAE, he works across Egypt and the GCC on corporate development, operating models and commercial execution, and writes Field Notes: Regional Markets, a monthly read on where Gulf and Egyptian markets are heading.

Long bio

Anas Khatab is Group Corporate and Business Development Head at AMD Holding, a diversified group headquartered in Egypt with operations in the UAE, active in customer experience and outsourcing, facilities management, retail franchising, real estate development and technology. He reports to the Founder and CEO and works across the group on corporate development, restructuring, governance and major commercial submissions.

He began in 2009 as a community pharmacist in Alexandria while studying pharmacy at Alexandria University, and remains a licensed pharmacist in Egypt. He then held commercial and tender roles in medical devices and consumables across Saudi Arabia, where he grew up, before moving into group level corporate development.

He writes Field Notes: Regional Markets, a monthly newsletter on LinkedIn covering healthcare, government contracting, outsourcing, facilities, retail, education and AI across the Gulf and Egypt. He holds an MBA from the University of Northampton and speaks in Arabic and English.
